

The safety valves produced by FAR Rubinetterie S.p.A. are subject to the directive 2014/68/UE called "PED".
According to the directive the declaration of conformity is issued for each production batch.

To request the declaration of conformity write to the following e-mail address:

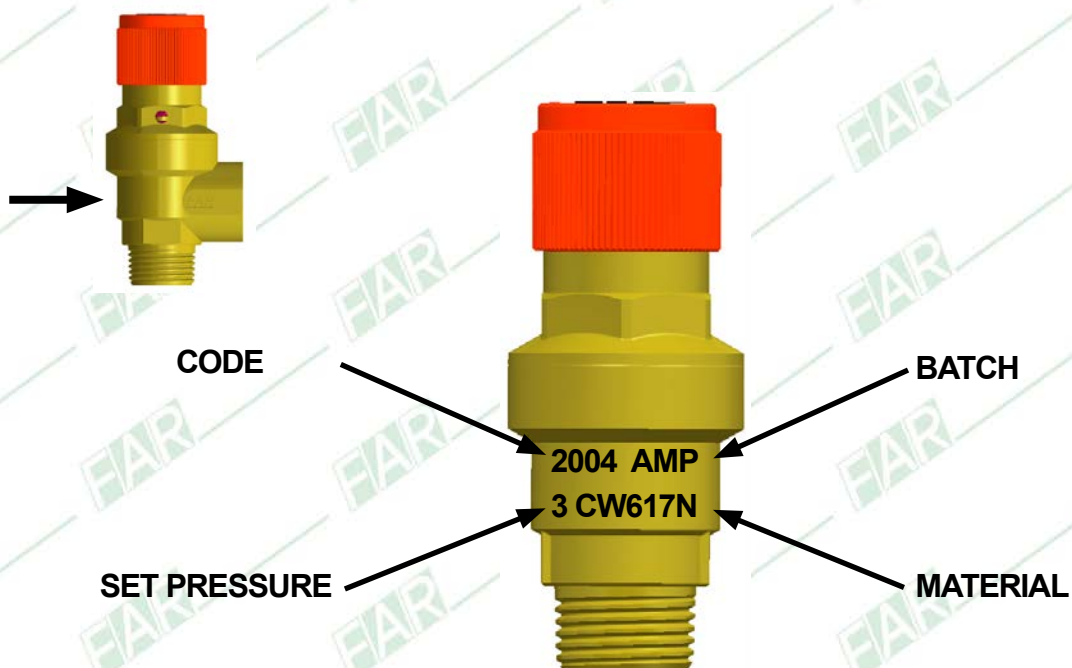

servizio.tecnico@far.eu

Please specify:

Article code - Indicated both on the packaging and the valve body

Set Pressure - Indicated both on the packaging and the valve body

Batch - Consisting of three letters, indicated both on the packaging and the valve body
